TCL TAB 10L Gen4

Future dusk

Enjoy cinematic experiences on a spacious 10.1” IPS display

- The 10.1” IPS display immerses you in vibrant colors and stunning clarity, bringing your favorite media to life.
- The sleek design adds a touch of elegance, making it a joy to carry and use wherever you go.

Smooth performance powered by Octa-core CPU

- A powerful Octa-core processor enhances the tablet's performance by enabling faster processing speeds and efficient multitasking, allowing users to run multiple apps smoothly.

Large battery and fast charging for uninterrupted enjoyment

- The large 6000mAh battery ensures you can use the tablet throughout the day without worrying about frequent recharging.
- Combined with 18W fast charging*, you can quickly power up the device and get back to your activities.
- Thanks to the extended standby mode, it allows the device to remain ready for use over up to 58 days without frequent recharging, offering unmatched convenience and reliability.
